

# Intern- Data insights

## Partnerships Fundraising Team

Tearfund is one of New Zealand's leading faith-based NGO's with industry-leading development partnerships and programmes throughout the world. We are a highly respected charity that inspires people to give, learn, advocate and stand up against injustice.

Tearfund primarily relies on Kiwis' financial generosity to support development projects led by local partners who work in places that are facing issues of poverty, scarcity, disempowerment and injustice.

The Partnerships team engage with Tearfund's high-value supporter groups and create meaningful partnerships with 'causes' they are passionate about.

### **Intern opportunity (3+ months; flexible hours)**

We are looking for an intern or work-experience student to work on several data-related projects. This assignment would be ideally suited to a University student studying statistics or a similar data analysis field. The opportunity would ideally be suited to someone who is passionate about Tearfund and is looking for a way to contribute by volunteering their time.

Your commitment would likely be for approximately 3 months (and part-time based on your commitments) and would be worked from our Mount Roskill (Auckland) office during our normal office hours (i.e. between 8.30 am – 4.30 pm). We are looking for someone to apply their skills and produce data insights that we can use to progress our impact and reach. You'll need to be trustworthy, tech-savvy and be able to produce reports and insights on various sets of supporter data.

Your support will increase our capacity to engage with the right supporters at the right time so will be instrumental to furthering Tearfund's mission, making your donated time both valuable and deeply appreciated. We will provide all resources required, as well as support and guidance to you, free car-parking, a friendly and enthusiastic team, as well as good coffee and biscuits! All agreed travel expenses will be covered.

If you'd be available to volunteer your time, we'd love to hear from you. Please send us a cover letter and share with us why you're interested in the intern opportunity at Tearfund and your availability. All applications will be gratefully received and acknowledged.

*Please note that any offer of volunteer for Tearfund will be subject to the satisfactory completion of;*
