OFFLINE DONATION FORM

Great work collecting cash for your challenge from family and friends! This form will help you keep a record of those cash donations and deposit them! Follow these three easy steps:

1. Record your donations

On the next page you can keep track of who has given you cash and who needs a receipt.

2. Deposit all your donations by October 15th 2016

You can do that by:

Donating to yourself online (recommended)

Head to your LBL profile page and click the 'donate' button.

Enter your donor's details (instead of your own) and use your debit or credit card to complete the donation, while you keep the cash.

This way the donor will get an instant receipt and the amount is added to your fundraising total. Boom!

Depositing the cash*

You can use internet banking to deposit the cash or go into your local branch.
